LIST EQUIPMENT BAND 1

TABLE OF CONTENTS

BAND 1 SUBSTITUTES

- Equipment on the Band 1 List may be substituted for a similar product with essentially the same form and function.
- Where a substitute item is available from the stores, this WILL be issued first rather than buying new. As this is an automated process there is no ability to select exact item.
- If an exact Band 1 item is required and no substitute is acceptable, please complete via a Band 2 application with rational to ensure exact item.

SPECIFICATIONS

Bed electric
See accessory options below
Suitable for Paediatric use

when cotsides are required they must always be ordered as a pair due to safety issues.

The configuration of this bed has high bed-ends designed specifically for the Mesh Cotsides. Standard cotsides will not fit.
