

3 August 2018 – Update

Ministry of Health List Equipment Update

We are currently experiencing supply issues with the Gutter Walking Frames with Handbrakes.

The supplier has advised that an expected delivery from their overseas manufacturer has failed to arrive resulting in a stock outage and a growing number of back-orders.

AMBULATORY MOBILITY				
Walking Frame - Gutter				Band 1
		SPECIFICATIONS		
		Adjustable forearm support		
SUPPLIER		DIMENSIONS		
Cubro		475mm overall width 800-1250mm adjustable height
