

August 6, 2018 – Update

Enable New Zealand Power Wheelchair Panel

Enable New Zealand currently contracts Invacare New Zealand, Allied Medical, and Morton & Perry to supply power wheelchairs within our region.

Enable New Zealand manages the selection process, based on specifications provided by an EMS Assessor for Wheeled Mobility and Postural Management (WMPM).

The approved range of power chairs can be viewed on the Disability Funding Website.

Location: Equipment Product Lists page.
